

SSY 150, lecture-1 quiz questions, 2020-03-24

Your name: Haitham Babbili

Your email: haitham@student.chalmers.se

1. Which programming language experience do you have?

☒ Matlab ☐ C/C++ ☐ Python ☐ Others (give name)

2. Why you chose this course, which part of the course is your main interest?

☒ Have fun ☐ audio compression ☐ video compression ☐ data transportation

3. You are from Master program, named:

☒ MPCOM ☐ MPSYS ☐ Others (give name)

4. I have the basic knowledge on:

☐ digital filter ☐ speech processing ☐ image processing ☐ network theory
☒ communication theory

5. Is the number of lectures in the course appropriate to you?

☐ too many ☐ too less ☐ just right

6. Have you managed your zoom to participate this lecture?

☒ yes ☐ no ☐ partly, specify the reason (e.g., audio, video problem)

7. Do you have any special requirements or comments on the course (please write down)

Too much labs in this course especially in this situation of coronavirus where we can't get proper help or group meeting.

Thank you for your input. This will help us to make course better!
